R. R. R. NO PAIN KILLER.

To KILL PAIN we must paralyze the nerves, or in other words produce a palsy of the part to which the pain biller is applied.

Pain is an unnatural sensation, arising from an injury or disease which, being transmitted along the nerves to the brain, gives an uneasy perception to the mind.

Remedies recommended to Kill Pain, or Pain Killers, are either producers of Paralysis, or they are not what they are recommended for. If the sufferer of pain is to undergo a suspension of vitality, or if the unfortunate arm or leg, or if the part of the body suffering the tortures of pain, is to suffer an attack of paralysis, we think the the remedy must be worse than the disease. And, if Pain is to be Killed, then the nerves that transmitted this sensation, and the senses that perceive its unpleasantness, must be killed abso. If, on the other hand, it is not a "poin killer," it is a misnomer, and not what its advertisement claims for it.

omer, and not what its advertisement claims for it.

Radway's Ready Relief does not Kan pain, but it subdues its paroxyisms and relieves the sufferer from all painful and uneasy sensations. Badway's Ready Relief is quick in its action—it instantly relieves, and immediately after sets about removing the cause of the pain, it is obtain and curse, it relieves and removes the troubling cause, and

and curse, it releves and removes the tranbling cause, and hence the joy it infuses.

R. R. R. 11s Two Actions.—The primary action of Radway's Ready Relief is, to allay the effects of any painful causes that the human system may be visited with.

Its secondary action is, to remove the cause itself; this it will immediately accomplish, for it is so powerful in action so quick and effectusi, that the moment it is applied or taken the painful paroxysisms are relieved, and the unsound parts made whole, strong, healthy and vigorous.

External Pains—Rheumatism.—Radway's Ready Relief applied externally to the parts where the pain is ield, will instantly allay the paroxysisms, scatter the cause, or the congected deposite, which cause the pain, and, in a first moments the suffiger will be quite easy. If the attack is recent a few applications will cure it.

If Chronic, Radway's Renorating Resolvent, used in connection with the Ready Relief, is certain to cure Rheumatism in its most aggravated forms, whether Syphilitic Scienc—nervous, unsecular or inflamatory (for wooderful cases of Rheumatism, cured by R. R. R. Remesiins, see Radway's family Friend for the month of March, 1855—a copy will be sent to all who wish it, free of charge, by addressing Radway & Co., N. W York City.)

stomach clean, and the breath sweet.

Its counter-irritant efficacy, will produce a reaction when applied to the head, and invigorate and culiven, and refrom Internal Pains .- Diarrhes, Dysentery, Cholern or Cholera Morbus.

The unnatural and violent irritations that adjiet the system while it is under the influence of these malades, will, in a moment, yield to the soothing and pain-relieving efficiery of the R. R. Relief. It aliays irritation, it arrests spaceholder

action, it neutralizes the poisonous minsma that causes these painful and weakening discharges; it collivers and invigorpainful and weakening discharges; it colivers and invigor-ates with warmth and strength the cold, cramped, and shrivelled limbs and joints, and restores each member and organ of the body to a healthful and vigorous condition. Radway's Ready Relief, and each of the E. K. R. lame dies, are made from the active properties of medicines.— Nothing inert or inactive enters their composition, so that the system is not clogged with worthless and inert matter. In conclusion we would remind the reaser that Sadway's Ready Bolief, relieves the sufferer from pain (not kills,) and cures or removes all unnatural causes of Bheumetic, Neural-

gic and Nervous or paintal character.

In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a dry, backing Cough will set in, and when you ruise anything it will be a thick and reliowish, or white frothy matter, streaked, perhaps, with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have Heetic Fever, Cold Chilis, Night Sweats, Coppons Expectoration, and then Great Prostration. If you still ous Expectoration, and theu Great Prostration. If you still neglect yourself, a few weeks or months will see you consign ed to the grave, leaving your friends to mourn how rapidly CONSUMPTION did its work, and intried you away.—Friend! have you no cause to be alarmed? In the above sketch you may see as in a glass, how every case of Con-sumption progresses, with more or less rapidity, to a fatal termination. Of all the Thousands and Millions whom this great Destroyer has gathered to the tonib, every single case began with a Cold! If this had been attended to, all might began with a Cold! If this had been altended to, all might have been well but, being neglected, under the fatal debason that it would "wear itself," it transferred its deadly action to the substance of the Lungs, exciting there the formation of tubercless. Another, and another cold added foel to the flame, until these tubercles began to soften and suppurste, leaving, by their ulceration, great cavines in the Langs. At this crisis, the disease is very difficult of cure, and offentimes set at defiance all human means.

In the latter or worst stage, this predictive will offentives.

In the latter or worst stage, this medicine will offentimes arrest the disease, or check its progress, and will always make the patient more comforta de, and prolong his life, and is therefore worthy of a trial; —but in its incipient or forming periods, Consumption is as curable as any other disease, and "Dr. Rogers' Syrup of Liverworth, Tar, and Concindagus," if taken at this time, will care it "Let". AS SURELY AS IT IS TAKEN! [162] This is strong language, but we can refer you to numberless living witnesses to prove that it is TRUE! And therefore, we carnestly exhort every man, woman and child, who has a Cough, or is subject to Colds, to keep medicine by you in the house, and whenever you take Cold, do not "let it alone" to work mischief in your system, but enalicate it thoroughly, at once, by this power, fully healing compound and leave your Lungs uniqueed, to carry you in full vigor to a good old age!
